

LONDON TIMES

Hello Folks.

Seems like summer has flown by once again and it's time for our fall meeting on **October 6**. I hope everyone had a great summer and that you managed to pick up or sell a few items. Rose and I are still picking up a clock or two, even though we agreed on no more clocks! It is a weakness.

Speaking of selling things, don't forget to bring a few items for the Mart tables. You may use the silent auction process or price your items separately. The Mart is a huge part of our meetings so your help in packing the tables with items is appreciated. I know Gerry Koolen is once again gathering up a few tables full of interesting things that we all need.

Our display theme will be **Seth Thomas clocks**. Thomas was one of the most prolific clockmakers in the US setting up shop in 1853 in Plymouth Hollow Connecticut. To honor his contribution to the community the town was renamed to Thomaston in 1875. There are lots of Seth Thomas clocks out there, so bring one along for the display.

As I mentioned to the group earlier this summer, I'm finally stepping down as president to pursue some of my other interests and will not be attending this meeting. I have totally enjoyed my time (49 years with NAWCC) in this role and have met so many wonderful

people from our Chapter as well as the folks from Toronto, Chapter 33. I've also learned so much from the guest speakers of both Chapters. This sharing of information and volunteerism is key for the survival of any Chapter.

We have reached a turning point for our club and you folks must decide if you are going to carry on. Charlie has the Legion booked for this meeting only! It takes more than just a couple of people to carry the load at every meeting. My grandma used to say, "many hands make light work".

Instead of a program this time, Charlie & Wayne would like to encourage a good discussion on how to keep this show on the road. Please bring your ideas and be prepared to roll up your sleeves and help carry the load.

Charlie Magee will still be our liaison with the legion and will help setting up and taking down the tables. Help before and after the meeting with the tables would be appreciated.

Madison Laprise has agreed to carry on as treasurer and membership secretary. A big thank you to Madison for keeping us on track for the last couple of years!

Richard Dumala has created a great website for us as well. Check it out. <https://www.nawcc92.com/>

We'll need someone to put together a newsletter to share what's happening with the upcoming meetings.

Need someone to keep the coffee flowing.

Someone to sell 50/50 tickets.

If someone would like to take over from Rose and bring in some baking, I know it would be appreciated.

We'll also need someone to pull all this together as well as to drum up some interesting programs for the meetings.

The \$30 yearly dues will be collected afterwards, pending on the outcome of the meeting.

Hope you can make it on the 6th..

Chapter 92 Meeting Information

October 6

Mt Brydges Legion

2500 Veterans Dr., Mt Brydges

Vendor Setup 7:30 am Doors open 8:30

**Here are some interesting pictures from the past.
Let's keep a good thing going.**
